INSPECTION OF UNDER-SPEED VEHICLE, UTILITY VEHICLE, OR MINI-TRUCK

Ohio Revised Code (R.C.) 4511.215 allows local authority to authorize the operation of under-speed, utility vehicles or mini-trucks on a public street or highway under its jurisdiction. The inspection verifies the vehicle is properly equipped for use on roadways with a speed limit of 35 mph or less. Please contact local law enforcement in your city, township, village, or other jurisdiction for applicable laws.

IMPORTANT INSTRUCTIONS

Vehicles operated on roadways in authorized jurisdictions require vehicle registration. The following documents are required to complete application for registration at any local Deputy Registrar Agency:

1. Completed Inspection of Under-Speed, Utility, or Mini-Truck (DPS 1373).
2. Ohio Certificate of Title or Memorandum Certificate of Title.
3. If this is a leased vehicle, you must ALSO submit a Power of Attorney form and a copy of the lease agreement signed by the lease company (photocopies accepted; originals not returned) or your application will be returned to you unprocessed, unless electronically submitted.
